Re: Refund of Permit Fee Overpayment, Clifton Mining Company, Gold Hill/Cactus Mill, M/045/049,
Tooele County, Utah

Dear Mr. Moeller

Enclosed is a check in the amount of \$100.00 as overpayment of your permit fee for the Gold Hill/Cactus Mill project. This project was originally permitted as a small mine and the permit fee of \$100.00 was received on August 2, 1999. However, on August 6, 1999, a letter was sent stating that this project had exceeded the threshold for a small mine and now had to be permitted as a large mining operation. The permit fee for a large mine (less than 50 acres of disturbance) would be \$350.00, therefore, Clifton Mining Company would be required to pay another \$250.00 to bring the total permit fee to \$350.00.

On August 27, 1999 we received a check for \$350.00. Therefore, we are returning \$100.00 to you as overpayment of the permit fee for the 1999 - 2000 fiscal year.

Thank you for your prompt attention in paying the permit fee. We await your interim surety by September 22nd and your Notice of Intention to Commence Large Mining Operations by October 22nd.

If you have any questions regarding this letter, please contact me at (801) 538-5286.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
